SCOTTISH HOME RULE ASSOCIATION

Files of correspondence and papers, ca.1918-29, with related material 1930-5, kept by Roland Muirhead in his capacity as general Secretary of the Scottish Home Rule Association and representing the bulk of the surviving archive of the Association. In 1928 Muirhead associated himself with the new National Party of Scotland while continuing briefly as Secretary of the SHRA, resulting in an overlap of some NPS material into SHRA files for 1928-9. A strong internal arrangement of the files by REM in various alphabetical series and subject categories had become somewhat disordered, but has been followed, wherever expedient, in the list below; the general arrangement is as under:
