Inventory

Acc.9193
Medieval Manuscripts

This collection of medieval manuscripts from a private collection was deposited in the National Library of Scotland in 1986. All items except one were returned to the depositor in 1989. The remaining item (Acc.9193/16) was returned to the depositor in 1996.

Acc.9193/16, the atlas of Europe compiled by Gerardus Mercator, circa 1570, is now in the British Library, with the reference number C.29.c.13.

Date: 14 April 2009
