ACTIVITY 4 – PRESENTATION

Produce a presentation exploring the area of the women’s suffrage movement that you find most interesting. Tell the rest of the class about one aspect of the campaign for women’s right to vote.

You can choose which form your presentation will take. Some suggestions are:

- poster
- PowerPoint
- spoken presentation
- video

Here’s a reminder of the topics:

- Why women wanted the vote
- suffragist/suffragette campaign
- Arguments for and against suffrage
- Reactions to the campaign
- Women during World War I
- Why women gained the vote

Your presentation must include information from the NLS sources on this site. You can add further points, pictures or materials from your own research.

Your teacher can help you find textbooks and internet sites that will be useful for the area you are working on.
